

## **VISION STATEMENT**

"Life is a mission and not a career, and the purpose of all our education and knowledge is so we can better represent Him and serve that mission of life in His name and toward His purposes.

President Stephen L. Richards

## **MISSION STATEMENT**

"God is my Father, I am His son; my life is a mission, not a career."

Stephen R. Covey

**SYMBOL** - Eight pointed star with a hidden message, that when clicked on defines The Seal of Melchizedek, which is our brand, identifying Regenerative Healthcare. This symbol appeared over 15,000 times in the San Diego Temple and multiple others, including the renovated Salt Lake City Temple.

### **SANGRE DE CRISTO MOUNTAINS**

These are the southernmost subrange of the Rocky Mountains. They are located in Southern Colorado and Northern New Mexico in the United States. There are 10 14ers in the Sangre de Cristo Mountains. A 14er is a mountain peak that has an elevation of at least 14,000 feet. Colorado has 53 , the most of any state. There are 10 14ers in the Sangre de Cristo range. The mountains were named in 1719 by Spanish explorer Antonio Valverde y Cosío, who impressed at sunrise by the red-tinted snowy peaks supposedly uttered a fervent "Sangre de Cristo" ("Blood of Christ").

### **A TRANSITION PERSON**

Enrolling at BYU (1963), after my Mission, Dr. Stephen R. Covey became my mentor, with whom I worked for almost 50 years. He advised me consistently to become a "Transition Person" for two main reasons, which became as important to me as they were to him; as evidenced by my vision and mission statements. My life is consecrated to four correct principles:

Come Follow Me ... on both sides of the veil ...

Provident Living ... being developed with David Scott in Wichita ...

"Holiness To The Lord" ... Striving to maintain our healthcare at its full potential as taught in the Temple...

### **BISHOP W. CHRISTOPHER WADDELL**

A few years ago, I had the opportunity to visit with Bishop Waddell about my dual biography on the lives of my third great-grandparents Bishop Newel Kimball and Elizabeth Ann Smith Whitney, resulting in his offer to make introductions to anyone in the Church I might need. This was prior to my CHF diagnosis. I'm seriously considering talking to him again about remembering me to President Nelson because of my CHF experience, the miracles I've asked for, expected and received.

**SAN-O-VIV MEDICAL INSTITUTE** (Rosarito Beach, Mexico) - Dr. Myron Wentz:

I was a guest there in 2000, the first year of their operation. They are now operating as a fully accredited Medical Institute, offering CAM (Conventional & Alternative Modalities of treatment to their patients). David and I intend to issue the ultimate challenge to three world class competitors in Regenerative Healthcare: SAN - O - VIV, RANCHO LA PUERTA, and HEALTH EQUITY. Can they reverse CHF, using my case study and many others from David's combination therapies.

**RANCHO LA PUERTA** (Tecate, Mexico) - Dorothy Szekley - They're attempting to compete directly with San - O - Viv by becoming a world class healthcare center, with a fully accredited hospital, including international therapies not available in the United States.

**HEALTH EQUITY** (Salt Lake City, Utah) - Dr. Stephen Neeleman is the founder and emeritus Chairman of the Board. He is the brother of David Neeleman, who is the world leader in founding and operating discount airlines throughout the world. Dr. Neeleman used that business model in healthcare with phenomenal results. Health Equity is a public company with whom a joint venture should be our goal. Dr. Neeleman has written 7 editions of the "bible" on HSA's (Health Savings Accounts).
